

Early Detection + Active Lifestyles = Best Prevention

## B4BC Donation Form

**Mission Statement:** Boarding For Breast Cancer (B4BC) is a non-profit, youth-focused education, awareness, and fundraising foundation. Our mission is to increase awareness about breast cancer, the importance of early detection and the value of a healthy lifestyle. B4BC targets young people (aged 16 to 30), who are more likely to believe – erroneously – that breast cancer is only the concern of women middle-aged and older.
